## Hello Residents, Families and Friends!

Our recent Covid outbreak has come to an end, we are slowly getting things back to normal. Just a few quick reminders, all residents or their representative are welcome to request a copy of their loved one's care plan, if you would like a copy please pop in and see a staff member.

On 19<sup>th</sup> January Navorina held a resident/representative accreditation outcome meeting. We would like to thank everyone who made the effort to attend and contribute ideas and help us with our response to the Commission. A copy of the meeting minutes has been sent out to all listed next of kins. Please do not hesitate to contact Nicole or the RN's if you have any questions regarding the accreditation results or your loved ones.

We are on the look out for more volunteers to assist us on outings – if this is something you might like to do either Tuesday afternoon or Wednesday morning please drop in and speak with myself.

We have had a recent phone and internet outage. If by any chance you are unable to get through via the Navorina line, please try the following mobile number **0455294699**. This will direct you to the Registered Nurse on shift.

**Keep Safe!**
