## Hello Residents, Families and Friends!

We hope everyone had a lovely Christmas and wishing you all a very happy and safe new year.

Currently we have a covid outbreak within the facility, please be diligent with hand hygiene and mask wearing while in the facility visiting. You are required to do a RAT before entering and sign in on Zipline. If you are visiting a resident with covid PPE gear is to be worn and discarded before leaving the room. Please check with a staff member before entering the room. All visits are to take place in resident's room. If you are unwell in any way, please **DO NOT** visit the facility. Residents are still able to attend social outings.

There have been some issues with the telephone system of late, if you have trouble getting through, please try the following mobile number 0455294699.

Keep Safe!
