

Visiting Policy as at 21.04.2022

- **Navorina is open for visitors 7 days per week. Restrictions are as follows:**
 - **Saturdays and Sunday sign in is strictly between 11am-12pm and 4-5pm, this is due to staff availability to man the front door.**
 - **Monday to Friday sign in is 11am-12pm and 4pm-5pm for visitors that require staff to perform a RAT. For those visitors that have attended a RAT prior to entry will be able to come anytime between 9am-5pm. (option available for visitors to take RAT's home prior to visits)**
- **RAT's are supplied by Navorina**
- **Visitors must not have any Covid 19 Symptoms**
- **All visitors must have proof of double Covid 19 vaccinations**
- **A medical mask supplied by Navorina must be worn correctly at all times. Visitors will be asked to leave if they cannot comply.**
- **Residents are allowed 2 visitors per day**
- **Fence visits will remain available via appointment only through our Lifestyle staff – Bernadette and Penny**
- **Residents are able to leave Navorina for outings. A risk assessment prior to the outing must be completed and if deemed necessary a RAT will be performed on return on days 2, 4 and 7.**
- **If you are taking your loved one for a walk or meeting out the front of the building masks must remain on and no RAT will be required. If the resident goes to a family gathering the risks increase and a RAT will be performed on the resident.**
